Build Math Fluency and Boost Student Confidence in Utah!

My Math Academy®

My Math Academy is a research-proven, supplemental program that helps prekindergarten through 5th grade students build a strong understanding of standards-aligned math concepts and skills.

Grounded in the Science of Math, *My Math Academy* embeds **direct instruction**, **guided practice**, and **continuous formative assessment** into every level of every game.

Intelligent Adaptive Technology

100 data points taken every 3–4 minutes continually adjust student path and pace towards skills proficiency.

Dynamic Scaffolding

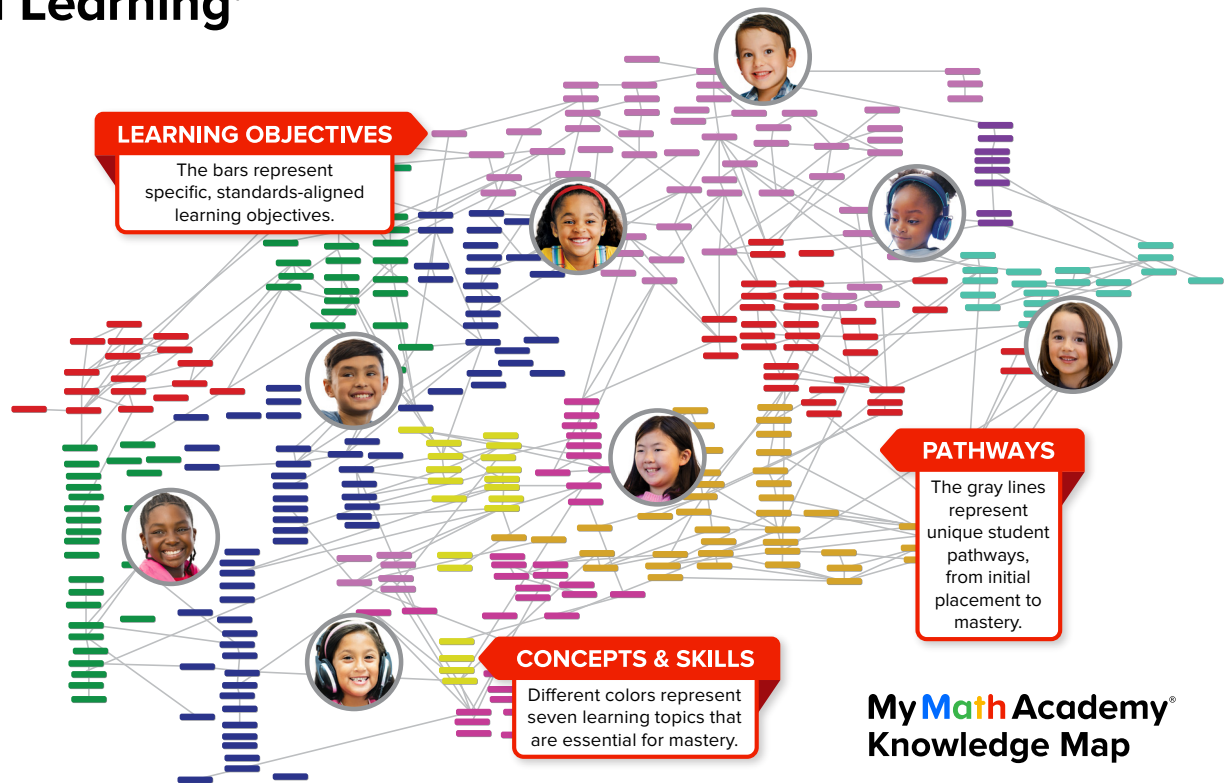

Customized scaffolds before, during, and after every Learning Activity help ensure students are never stuck.

Developing Learner Identity

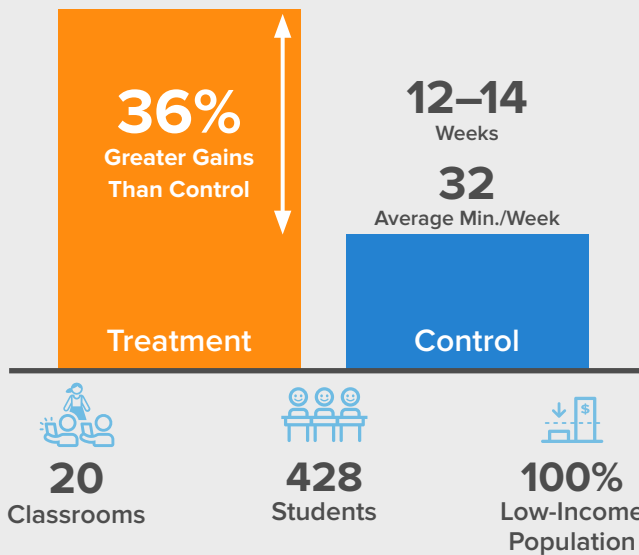

Engaging companions and curated activity choices build student motivation, agency, and confidence.

Every Journey is Unique

Powered by an **evidence-based Knowledge Map and patented technology**, every Utah student receives a personalized path to mastery.

Math Gains Increased by 36%

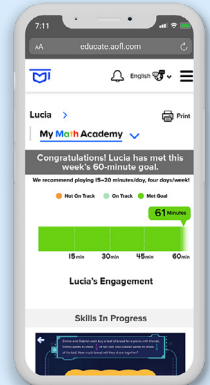

My Math Academy significantly accelerates learning gains in students' math knowledge, compared to control-group peers.
